17th December 2019

Dear Parent/Carer

We are coming to the end of a very busy term. I am sure that you all enjoyed our Christmas performances and looking forward to your Christmas celebrations. We felt that holding our Key Stage 2 performance at East Manchester Academy was a much better arrangement and we hope that they will allow us to do this again.

I enclose a photograph of your child taken over the Christmas period, which I hope you will enjoy. Photographs are given for your personal use and we ask that you do not share them in any way online if other children besides your own are featured.

Thank you to all those parents who brought their children to support us in singing for the church at their Carol Service.

When we come back in January, we have some events already booked into the diary:

- 6th January: Return to school
- 16th January: Year 6 to visit Bury Fire Centre
- 17th January: Football match against Ashbury Meadows
- 22nd January: Year 4's link project to visit Lyme Park
- 27th January: Year 3 Wow day, Stone age to Iron age
- 28th January: Year 4 Cathedral visit
Year 5 Wow Day, The Vikings
- 3rd February: Mental Health week
Year 4 Wow Day, The Romans

6th February: Hockey match at Cedar Mount 3.45-5.30

During February, we will be entering the Rochdale Festival of Performing Arts.

At the moment I am unable to give any definite dates however, provisional dates suggest that the choir and soloists will be singing during the first week in February. The individual prepared talk is likely to be during the second week. This year we cannot enter the dance section as it is expected to run during half term.

We hope to take part in the National Music for Youth event on the 6th March.

6th March: Year 5 and 6 will be invited to attend an early evening performance of Swan Lake at the Lowry.

I would like to thank your support and good wishes over the past term.

I wish you all a very Happy Christmas and a Blessed Year 2020.

Best wishes

Lynnette Windslow
