VISION LAUNCH January 2020

Child and Family Art Workshops

Wednesday 8th January and Thursday 9th January 2020:

In the first week back we will be launching the new Vision to pupils, staff, parents and the community, to ensure that the principles behind the vision underpin all the work we do at Overthorpe!

**Overthorpe is more than a school-
we are the heart of our community,
in our family, we nurture the courage
and skills to fly higher than the flock,
whilst always providing a nest
to come home to.**

Artist Workshops: We would like every child in school, parents and members of the community to paint their own bird in flight to symbolise the line in our vision '**In our family, we nurture the courage and skills to fly higher than the flock.**' This will then be made into an art installation that will go throughout school as a lasting symbol of our vision.

You are invited to work with your child in as part of the art workshop during the allocated time below, in our Neighbourhood Nest.

It would be great if you are available to support your child and you can paint your own bird as part of the workshop!

Please **arrive promptly at the Neighbourhood Nest**, for your allocated class slot as we will be trying to ensure every child within school has the opportunity to create their own bird.
