

Welcome to Spring Term 2020

Welcome back to everybody, we hope you had a good Christmas Break and are ready for the New Year. Last term was a great success with children making progress and treating us to two wonderful Christmas Performances, which I hope you all enjoyed. It was an exciting Autumn Term, with a residential visit to PGL for year 5 & 6, a visit from the Puppet Theatre and of course a visit from the Chaplains who performed Jack and the Bean Stalk. A huge thank you to the Friends of the School for organising the Christmas Fair, which was a great success.

We have also continued to develop sporting awareness by attending both tag rugby and football. The children performed well and were a credit to our school in terms of effort and sportsmanship! Mr Hedgecock our sports apprentice will be running after school clubs in football this term and further details will follow. We have many other exciting events organised to keep the children focussed and motivated during Spring Term, so keep a look out on our website and on the app for further details.

Thank you to all of our parents for their support in the move to Parentpay. I know that there have been some small hiccups, but they seem to have been ironed out quickly and hopefully, we now have a system which is much more convenient for everybody. School meals have also gone smoothly. Mrs Gash has continued to support parents in prompting and ordering meals, if they have forgotten to do so, but this term, we would very much appreciate parents, taking responsibility for ordering meals, to ensure that sufficient food is provided.

I hope that many of you will have had the opportunity to look at our website and familiarise yourselves with the news and information contained there. Letters, menus, event photos, Topic Sheets, performance data and curriculum information are all available to keep you up to date with School life. In addition, I would draw your attention to our Safeguarding Policy, which is useful for all parents in helping to keep children safe.

Below are the important dates for next term but I would like to draw your attention to the following:-

6th March - World Book day - on this day the children will be invited to come into school dressed as a character from a book. We do not expect lavish costumes, just a discussion about characters and how they might dress, then allow the children to be creative.

25th and 26th - Parent's Evening - Letters will be sent out well in advance and we will always do our best to accommodate family appointments together.

1st and 2nd March - Easter Assembly at 9.15 and diorama competition - all welcome. The children will be invited to create an egg diorama depicting any scene of their choice and prizes will be available for first, second and third place.
