

LONGSANDS LINK

10th January 2020

Important notices

KS2 singing club will be on a Monday lunchtime starting 13th January

Year 5 & 6 Maths Lunchtime Club

A Maths club for Years 5&6 will take place on Wednesday lunchtimes starting on 15th January. It will be run by Mr Munro who the pupils have met. Mr Munro's daughters attended our school when they were younger and more recently he has been an invaluable help in Year 3 & 5 Maths lessons where he has shared his love of Maths with those he has worked with. The sessions will initially focus on Number puzzles and problem solving. The Club will take place in Year 5 and arrangements for eating lunch will be made. If your child would like to attend please let Mrs Worden or Mrs Taylor know before Wednesday 15th January. Unfortunately numbers are limited so your child will be informed if they have a place as soon as possible.

Mrs McKeown's Message

Happy New Year!! I hope you all had a wonderful family break and all the lingering germs from last term are now gone. Thank you to those of you who have already returned the Parent Governor Ballot papers. Please be aware of how you complete it so your vote counts. More exciting activities planned for this term including our Wonder Days of safer internet plus eco design day.

This week the children have really enjoyed the Dinosaur experience!!
Have a lovely weekend !!
