****Spring 1 Half-Term News****

Dear Parent /Carer,

We would like to wish you all a Happy New Year, with a warm welcome to our new families and welcome back to our returning children from 2019.

Please refer to our Spring 1 newsletter for activities in the 3 year old rooms and key dates at Strong Close for this half term which can also be found on our website.

Over the next few weeks we will be launching our new website so look out for information on this and we welcome your feedback on the new design

We were sad to see our part-time NQT teacher Javeid Karim from Yellow group leave at Christmas and we wish him all the best on his pathway into teaching. Parents / carers will be informed of any changes to key persons going forward for this year

Finally we would like to remind you of the car parking options around school and there is a map on the reverse of this letter, to further explain the points below.

Please note that the front car park and the double yellow lines outside school are for disabled use only, as we have a number of children with needs on specialist provision places at Strong Close. The zig zag lines outside school must not be parked on at all at any time-this is for the safety of all children and families.

There is the option of parking on Valley Road and then walking through the safe pathway (marked in red) and along Ribble Street to get to school. Please note that Derwent Street and Murdoch Street (circled in blue) are private roads for residents parking only.

We appreciate your cooperation in this matter and thank you. If you need any further information please do not hesitate to ask.

Yours sincerely

Helen Jones Acting Headteacher

Aire Valley Nursery Schools Collaboration
