**HAPPY NEW YEAR TO ALL  
OF OUR FAMILIES :)**

The police are now supporting our local residents by monitoring parking in the morning and evening. We ask that all parents park sensibly, don't block local residents and avoid Church Lane (the road that runs alongside the graveyard). Thanks.

Our Christian value this half term is:

**TRUST**

Look out for our Spring clubs next week

### Year 2 and Hall Update

The building work in the Year 2 classroom and the hall is on schedule to be completed next week. This will complete the first phase of work that needs to be done. The temporary wooden floor in the hall will be lifted again later on this year to install an additional pump and airflow system which will aid the drying of flood water. School meals will return to normal next week and daily collective worship will return.

We would like to pass on our thanks to the children who have been fantastic at adapting to the changes. Also a huge thank you to

Todmorden Cricket Club for allowing us to use their function room and kitchen for our school meals.

### What is Family Learning?

Family Learning is a fantastic, free opportunity for you to spend some quality time with your child doing some fun (art based) activities linked to things they are learning about in class.

We had a really successful Family Learning Event before Christmas where children and their parents spent time making decorations which they could take home to hang on their tree.

There are more Family Learning Events planned throughout the year. These will be in an afternoon, where children come out of class so that you and they can get involved with a range of activities. The places for these are limited (15 children and their adults) so please look out for the attachments and sign up slips on our newsletters.
