## Best attendance

This week's prize goes to class Year 6 !

## After school Clubs

Mr Robinson will be attending jury service at the beginning of February. Therefore, there will be no Multisports or Multiskills running during this period. Miss Parker will also be unavailable to run her club on Wednesday 22<sup>nd</sup> January due to a family bereavement.

## Party Pieces – Tuesday 11 February 2020

This year's Party Pieces concert will take place on Tuesday 11 February 2020 at 5.30pm. (We have had to change the date from 4 February 2020). This is open to any child in the school, from Year 2 onwards, to take part in. If your child has tuition in school for piano/keyboard, guitar, violin/viola or percussion (drums), their music tutor will ask them if they would like to take part. The school choir will also be singing as well.

If your child receives tuition outside school and they would like to take part, all they have to do is give their name to Mr Asplin and they can be added to the list!

In the past we have enjoyed children singing by themselves and as part of a group, playing a wide variety of instruments and even creating a band to take part in the concert!

This is always a popular and very well attended event and a wonderful way of showcasing the musical talents of the children in the school. It is also a great way for the children to gain experience in performing to an audience.

## Magazine Subscriptions

The PTA have kindly agreed to subscribing to the following magazines so the children can enjoy reading them during our daily reading lessons; The Week, First News, Aquila, National Geographic Kids and Whizz Pop Bang. Thank you for supporting the PTA's events so we can provide these extra opportunities to promote the children's enjoyment of reading.

## What's happening in your child's class this term?

Keep an eye out on the website for individual class termly information letter written by the class teacher, giving details of what's happening in each class and what your child will be learning about during this term. They can be found by clicking on 'classes' on the homepage, then choosing the class you want. The newsletter will be for January 2020.

## Stars of The Week

Class R – Sebastian, for concentrating on his Maths and really impressing me ! Wow Sebastian, you really know how to split large numbers into two smaller value ones – Fab !

Class R – Darcey, for trying so hard with her reading. Darcey is realising all her sounds so well and is able to blend them together to form words. Well done Darcey – keep it up !

Class 1 – Harlow, for setting a great example in class.

Class 1 – Amber, for always doing the right thing and always trying her best.

Class 2 – Samuel, for becoming a more independent learner.

Class 2 – Stanley, for always taking great care over the presentation and content of her work.

Class 2 – Matilda, for persevering with tricky maths problems and successfully reaching the correct answer. Well done – great growth mindset !

Class 2 – Heidi, for regularly reading at home, making super progress. Well done !

Class 3 – Neya and Thomas, for their super work in Maths this week on adding 2 and 3 digit numbers and bar charts.

Class 4 – Kiera, for always giving her best and being a good friend.

Class 4 – India, for paying careful attention to detail in her work.

Class 5 – Charlie H, always has a positive attitude to school. He tackles everything with a smile and total dedication. Charlie always makes intelligent contributions to class discussions and he is a great role model.

Class 5 – Olivia S, is a truly wonderful member of Class 5. She is kind and considerate towards others and is consistently helping out without being asked. Olivia always works hard and puts a great deal of effort into all she does.

Class 6 – Holly, for pushing herself on our maths lessons to achieve all that she can.

Class 6 – Alfie W, for adapting his learning to new and challenging situations.

# National Child Measurement for Nottinghamshire

We want to learn more about how children in Nottinghamshire are growing so we can better plan and deliver healthcare. So we need to weigh and measure all reception and Year 6 children.

Your school nursing team will be visiting this school soon. If you wish to talk about your child's weight or any other health issues they can be contacted on.

0115 8834663

For more information on the National Child Measurement Programme visit
