News Bulletin

Winter Weather

Please make sure that your child is bringing a coat to school each day – it can be cold out on our playgrounds!

Although we will always try to stay open, should the weather take a turn for the worse, we will make every effort to inform you as early as possible of any school closures via text message, our school website and social media.

Questionnaire

Please find attached a questionnaire for parents/carers.

We are interested in hearing your views!

Contacting School

You can contact us on

Open Enrolment

Children due to start Nursery or P1 in September 2020 should now be enrolled online. The application process finishes at 12 noon on 30th January. See www.eani.org.uk/admissions for details.

Please share this information with your family, friends and neighbours who may have young children. Interested parties are very welcome to make an appointment to have a look around our school.

If you have any questions about applying for a place or need help with your application, please get in touch!
