

You might like to join in with our learning at home by...

Things You Can Do At Home.....

Make models of different types of buildings

Look at photos of places you have been on holiday and talk about the buildings you saw

Together, make a list of as many different types of building as you can E.G. hotel, bungalow, tower block, shop. Then find out about the ones that interest you the most or you know the least about.

Look at homes and landmarks in artists work, for example Daisy Dahl and have a go at your own versions

Things You Can Watch.....

Hoodwinked

Things You Can Read.....

Different versions of the Three Little Pigs

Books in the Bob/ Man On The Moon series

Books in the Katie Morag series

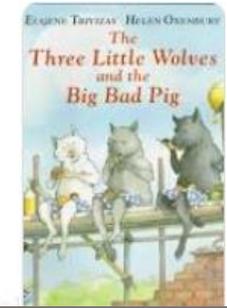

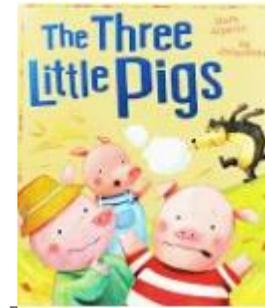

Places You Can Go.....

Science Museum, they have a collection of kitchen and household objects from across many decades to show how these have changed and developed.

Any landmark or famous building, such as London Eye, St Paul's Cathedral, Tower Bridge, The Shard, Tower Of London

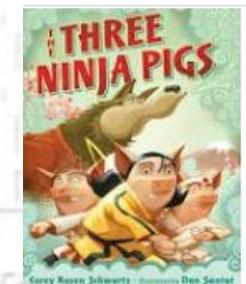

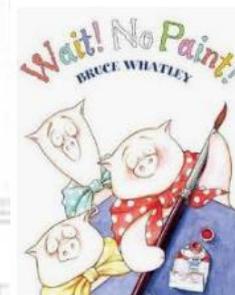

<https://www.museumofthehome.org.uk/> A museum devoted to the history of homes in London

'Towers, Arches and Domes'

Spring Term Learning Journey

Cherry Class

Homes

We will be exploring different types of homes and what they are made from.

You could make a house at home.

Homes In The Past

We will be finding out how clothes were washed, food was cooked and homes were lit in the past.

Epping Forest District Museum has exhibits on childhood and a 1960's living room if you want to start exploring lives of children in the past.

Homes and Other Buildings Around The World

We will be exploring what homes are made from in other countries and why the designs are often different.

'Towers, Arches and Domes'

Space

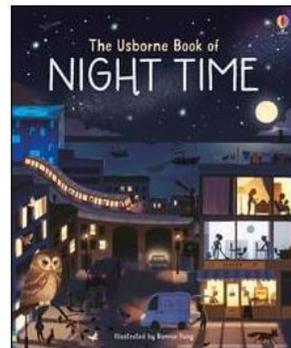

We will be exploring buildings in space and so much more! Can you pretend to travel to the moon? This may help

https://www.youtube.com/watch?v=NsmW_y04z_Y

Buildings At Night

We will find out what happens in buildings at night time.

An Island

We will be comparing the life of a child living on the Isle Of Lewis to our lives through looking at buildings.
