Today, Space Store came into school to deliver a workshop to **year 5** children. Children had the opportunity to explore object of space through augmented technology and learn more about how satellites work.

On **Wednesday** M&M Theatrical Productions were in school in the afternoon to perform *Cinderella* to Year 1-6 children. This touring theatrical company visited our school to briefly bring back the atmosphere of Christmas. They are experts in family entertainment of classic stories. The children really enjoyed it and I am sure they talked about it when they came home. We ask for a voluntary donation of £2.68 per child to cover the cost of this. 78% of parents have paid – thank you. If you haven't paid for this yet, please can you do this over the weekend via ParentPay. Many thanks.

After school on Tuesday, **Ladygrove's Girls' football team** played a league match, at home, against All Saints Primary School. The girls all withstood horrific rain and wind in a brilliant come-back from three nil down, to end the match level, at 3-3. Goal scorers were: Shalom (2) & Lois (I quote Mia, "With a 'worldie' goal from the half-way line."). A fantastic start to our league matches and we look forward to watching the progress of this new team. 'Girl of the Match' was Shalom whose pace was unmatched on the pitch. Many thanks to Mark Coles for acting as referee. *Coach Shorrock and Coach Loveless*

School Eye Tests for Reception children are next Tuesday. This is carried out by NHS School Vision Screening team. Any children needing referrals will receive a letter from the Vision Screening team. If you **do not** wish your child to take part in this, please return the slip indicating this (*letter was emailed on Monday and is also on the school website under 'letters', 'trips' tab*).

Parent-Teacher Meeting letters went home this week via the eldest child in the family. Teachers are available to meet parents on Wednesday 12th and Thursday 13th February. If you have mislaid your letter, it is on our website under the *Letters, newsletters,* tab. Children in our Nursery class need to arrange a meeting directly with Mrs Houseman. Please return slips to the school office by the end of today as appointment times will be allocated next week.

COMING UP...

Dates next week:

Date	Activity	Time	Place	Notes
Mon 20 th Jan	Drama Workshops Scratch Club	9am-11am Lunchtime	Hall Year 5	Foundation and Year 1 children

Fri 24 th Jan	Sketch Club	Lunchtime	Year 5	

NOTICES ...

Year 6: Please ensure that **Kilvrough has been paid in full by 28th February 2020.** Your child's place is not secure unless full payment has been received. Please contact us if you have any concerns rather than worry privately.

Year 4: Hill End parent meeting is next Tuesday at 3.30pm in Year 4. The meeting is to initially discuss the residential trip in June. Another parent meeting will be held in May to finalise details. If you have any questions about this trip and are unable to attend this meeting, then please do not hesitate to contact us.

Does anyone have wool (knitting yarn), buttons, ribbon that they no longer want or use? If so, after school club would love to take it off your hands to use for activities. Please drop off at the office if you do. Many thanks

Advanced notice..... we have received notification from RWE about the **forthcoming demolition of the chimney** at Didcot A Power Station, which is scheduled to take place on Sunday 9th February. This will be the final controlled explosive demolition activity for the former Didcot A station and follows the demolition of the north cooling towers, which took place in August. Due to the height of the chimney, the exclusion zone will be larger than during the previous demolition in August. To accommodate this exclusion zone, an application is required for temporary road closures of a section of the A4130 and Milton Road alongside Didcot Power Station, for a short period on the morning of the demolition. A local temporary footpath closure is also required. The demolition is planned to take place on a Sunday morning when local roads are typically at their quietest, and the impact on any local business will be minimised. To ensure members of the community are kept safe during the demolition process, RWE is again actively discouraging all forms of public participation, including attempts to view the demolition from public vantage points. Local households will be able to hear the explosion and dust being visible. For further information please contact rwe@communityrelations.co.uk or call 0800 157 7344.

Want to find out more about PALS fundraising? Want to be part of the team, or just curious to find out what we do? Come along to our next PALS Committee Meeting on Thursday 23rd January at 7.30pm, in school.

Andrew Markham and the School Team

Is your child in

Reception - Yr6?

HAVE THEY HAD THEIR FLU SPRAY?

NO?

Please email flu.schoolnurses@oxfordhealth.nhs.uk

**To arrange an appointment in
one of our final catch up clinics.**
