## This Week at Stockingford

Dear Parents,

The internet is essential in 21st century life for education, business and social interaction. As children move up through the school, their access to various types of technology increases and it stands to reason that their exploration and curiosity increases too. The positives of the digital world overwhelmingly outweigh the negatives but children, schools and parents all need to be aware of various online risks. As a school, we try to prepare the children by teaching them about e-safety and about what is and isn't appropriate use of the internet. We have become aware of a website (Omegle) which allows children to talk to strangers and I felt it was important to bring it to your attention so that you can safeguard your children from it. Please see the logo below.

If you would like to share any information or require any further support please do not hesitate to contact your child's class teacher or our pastoral team.

Next week in assembly we will be talking about Martin Luther King. If you get time over the weekend, it would be lovely if you could do some research together about this important figure in history.

Fingers crossed for some lovely weather this weekend,

Mrs G Bowser

## Other News at Stockingford Academy

### Year 5 Young Voices

This week, our Year 5 pupils went to the Genting Arena in Birmingham for their Young Voices performance. They had an incredible time performing as part of a choir of 3000 pupils!

Reuben and Lacey have written this fabulous report:

*Young Voices is hundreds of schools joining together in a big arena to sing songs. It's so big you could build a football pitch in it! The lights went out and everyone was shining their torches and it looked like stunning stars. It was so much fun! There were lots of famous singers on the stage who sang along with us. I really enjoyed it and would love to go again.*

Thank you to all the wonderful staff who supported the children in this amazing event. The children will be performing again on Tuesday night to parents in the Whittleford Hall (although not quite as impressive as Genting Arena!)
