Dear Parents

The term has got off to a good start and the children have settled down well. There will, as always, be lots going on this term. We will be celebrating World Book Day again, on 5th March, and we will be inviting the children to come to school dressed as a book character. There will also be other activities planned for this day. More details to follow. We will also have our Theme Week towards the end of term. The Theme Week assembly will be on the afternoon of 31st March, where we celebrate all we have done during the week. Parents are invited to attend. We also look forward to seeing parents at the parent conferences, soon after half term. During this meeting, the teachers will share a mid-year report with you, alongside targets for next steps.

Congratulations to Mr and Mrs Dobson on the arrival of Eliza Dobson, born on 15th January.

Our Green Prefects are continuing to work hard in our garden, and they have planted their first hanging basket in the playground. Well done to the prefects, and Mrs Ireland who is leading the project.

The children are currently completing our annual pupil questionnaire. We were rather touched by one response. When asked what the best thing is about our school, the anonymous child has responded 'you are remembered'.
