

Times Tables Rock Stars Day 2020

Dear Parent/Carer,

This is just a reminder that all pupils in school will be invited to dress up as a rock star on Friday 14th February 2020.

We are asking for a voluntary donation of a silver coin to coincide with our sponsored fundraising event for the year, to raise funds to improve the quality of the playgrounds around school. There will be two prizes for the best dressed children rock stars in school!

Children will get the chance to take part in games, challenges, activities and projects related to maths skills and also take part in active and outdoor maths learning. It is vital for us to promote the use of Times Tables Rock Stars both in school and for use at home for homework and we feel that this event will raise the profile of it throughout school. Children in Key Stage 1 will get the chance to play on Numbots alongside this, as this promotes skills more suited to their year groups.

If you have any questions about this event or how to log in to the app or on the website, please ask your class teacher for more information.

Many thanks,

Mr. Swain
Key Stage 2 Leader
