Physical Development
Learning Objectives:
- We will use one-handed tools such as pencils and paintbrushes.
- We will go to the toilet by ourselves and remember to wash our hands.
- We will dress ourselves with support from an adult.
- We will learn to become more independent with self-care.
- We will draw lines and circles.
- We will learn to catch a large ball.

Maths
Learning Objectives:
- We will say numbers in order to 10.
- We will begin to represent numbers using fingers and marks on paper.
- Uses positional language.

Understanding of the World
Learning Objectives:
- We will be learning about our bodies and how we are growing.
- We will talk about special times or events involving our family or friends.
- We will develop an understanding of growth, decay and changes over time.

Personal, Social and Emotional Development
Learning Objectives:
- We will be playing with other children and making friends.
- We will be thinking about our feelings and being kind to other people.
- We will feel happy when receiving positive verbal feedback from our teachers.
- We will take turns and practise sharing.

Expressive Arts and Design
Learning Objective:
- We will sing songs and nursery rhymes.
- We will learn about colour and how colours change.
- We will use movement to express feelings.
- We will make up rhythms and sing to self.

Communication and Language
Learning Objectives:
- We will be listening to stories and joining in with our favourite parts.
- We will be following simple instructions.
- We will learn how to use objects correctly.
- We will listen and talk to the other children and adults in the Nursery when interested.

Literacy
Learning Objectives:
- We will join in with stories and guess what might happen next.
- We will listen to stories and join in.
- We will learn that stories have a beginning, middle and end.

West Acton

Colourful Celebrations
Nursery
Autumn 2 2019
Important notices:
- Please update your Wow books every week – using at least one page per week – and return it to school every day so that your child can share and celebrated it in class.
- Children need to bring a named water bottle and change of clothes to school every day.
- All of your child’s items should be labelled with their name and class.

You can help your child at home by:
- Reading together for 10 minutes each day. Ask your child questions about the illustrations and text in the book. You could ask questions about the characters and their feelings, ask what might happen next or why something has happened.
- Celebrating your child’s learning at home by recording it in their Wow book so that it may be shared and celebrated at school.
- Helping your child to use mathematical language about position, shape, measure, time and money.
- Finding out about topics that interest your child by helping them to use the internet, information books and word of mouth.
- Drawing attention to everyday learning opportunities such as a trip to the shop, a ride on the bus, a walk to or through the park or a visit to the museum. Ask your child questions to develop their awareness and language around their experiences and encourage them to talk to their teachers and peers about these.

Other information:
- Please make sure your child has a hat and water bottle during the warmer weather and a coat, gloves, woolly hat and scarf during the colder months. Please ensure all of your children’s items are labelled with their name and class.
- Donations: From time to time Nursery will ask you to donate certain items for art and craft lessons, cooking or role-play. Please read our notice board and look out for any messages.
- If you would like to book an appointment to speak with your child’s teacher, kindly talk to the teacher or leave a message for them at the front office so that this can be arranged at a convenient time for you.
