Maths

<https://www.familymathstoolkit.org.uk/>

This website offers lots of advice about helping your child with their maths at home. It also offers the opportunity for parents to who are less confident with their own maths to develop their own skills. If you would like any support accessing this training, please do not hesitate to contact the headteacher. We can offer access to computers and support from trained staff.

What's On Our Website – a reminder (in useful links)

English – Reading, a guide for parents; supporting writing and spelling at home; guide to phonics; recommended reads; guide to punctuation and grammar

Mathematics - Activities for out of class; games to play at home

Science - A glossary of scientific terms to help you to understand exactly what your child is learning at school and for you to share with your children

Computing – lots of advice for parents, including keeping your child safe on line

We've also recently added the following guides for parents and activities to do at home;

- Modern Foreign Languages
- Geography
- History
- Music
- Design Technology

Parent Workshops During Parents Evening

If you have not managed to attend our parents' workshops on reading, maths, assessment or grammar this year I am very happy to go through these during parents meeting evenings or at a time to suit. Please let the office know which workshops would be useful. If there are any other areas of the curriculum you would like more information on please also let us know.

After school Clubs

Mr Robinson will be attending jury service at the beginning of February. Therefore, there will be no Multisports or Multiskills running during this period.

Bake Sale for Australia – Monday 3rd February

My name is Eden, I am in year six and I am thrilled to tell you that our school will be holding a bake sale. This bake sale will raise money to help with the damages that happened in Australia this includes all the animals that have been hurt too. Your donations could really help. Together we can all help in the battle against the wildfire. If you could bake or buy a small cake, cookie or muffin that money could help repair the devastating disasters. Me and a few of my class mates were hoping to raise at least £250. Think about all the animals that you could save today!
