Newsletter week ending 24th January 2020

Mrs Truslove writes:

Well done to everyone for their fantastic efforts yesterday in the NSPCC Rainbow run. You were all amazing and have raised money for a brilliant charity which is there to help children of all ages who might need support. If sponsor forms and money can be back in school by 30th January that would be great.

We are currently reviewing our extra-curricular clubs and activities. We have been talking to a number of providers that can offer a range of activities including fun fitness, gym and yoga. We are aiming to get these in place as soon as possible, so keep an eye on the newsletter and website for information as some of them may be limited on numbers.

Weekly music: This week we have been listening to Dido's Lament by Henry Purcell. Dido's Lament is a very calm piece of music, is there a very energetic piece of music you can find?

Mrs Barnes/Mrs Truslove

Next week in maths, Year 1 will be exploring the properties of shapes. Reception will be exploring 2D shapes.

We will be taking part in the Big Garden Bird Watch, which begins this weekend 25th January. Please start observing the birds in your garden as we will start the mini project on Wednesday 29th January. Bring in binoculars if you have any.

If anyone has the DVD of the Snowman we could borrow could you please send it in - thank you.

Mrs Gibbins

We are currently making fire engines and you'd be amazed by how much cardboard is needed. We also used a number of boxes to recreate Pudding Lane as a display.
