Health and relationships Education

We are holding the second of our HRE Parent workshops for parents of children in **Year 3 and Year 4** on Monday 27th January at 2pm. Please can you ensure that you have returned the slip to say that you are attending the workshop. Thank you for your support.

Road Safety Posters

Before Christmas, the children from Year 1 upwards were asked to design posters that would help the local community to drive better around our school and keep everyone safe. The winner from each class has had their poster turned into a sign which is displayed on the school railings. Well done to our fantastic winners!

Attendance letters

If you have received a letter regarding your child's attendance then please could you ensure that you make an appointment to see Mrs. Thompson as soon as possible. It is vital that your child is in school so that they can develop the skills needed to make good progress. We need to work together to do the very best for our children. Thank you for your support.
