

Jolesfield CE Primary School
Information for Parents and Carers
Weekly Overview

Year group: 1 and 2

Millipede Class

Date w/c: 27/01/20

Area of learning	What we will be learning
<p>English</p>  	<p>READING</p> <p>This week we will be finding out about Ernest Shackleton and what makes him a significant individual. Over the next 2 weeks in English we will explore texts called Survivors, Ice trap and Shackleton's journey.</p>  <p>WRITING</p> <p>We will be identifying Ernest Shackleton as a significant individual and using extracts of the texts to gain new information. We will be following Ernest's journey to the Antarctic. This week we will use our writing skills to advertise for crew and think about how the voyage begins...we may even get to ask him a few questions!</p>
<p>Phonics</p> 	<p>PHONICS – Phase 3</p> <p>This group will be learning the phonemes ai and ee written this way.</p> <p>Phase 5</p> <p>This group will revise the phase 2-5 sounds that they have learnt and continue to learn split digraphs.</p> <p>GPS</p> <p>This group will be adding ing est ed to words that end with with e and revising the spelling rules about adding ed that we have previously learned.</p>
<p>Maths</p>    	<p>NUMBER</p> <p>This week we will use our knowledge of place value to support our subtraction skills. All of us will subtract one and two digit numbers to 20. Some of us will be able to subtract one and two digit numbers from a range of two digit numbers to 100, even when crossing the tens (decomposition). We will use a range of resources, pictorial representations and begin to subtract numbers mentally.</p>
<p>Topic</p>	<p>E-Safety</p> <p>This half term we will be taught about the importance of keeping safe on the computer using CEOP's resources Lee and Kim. We will learn SID's Top Tips.</p> <p>https://www.thinkuknow.co.uk/5_7/leeandkim/</p> <p>https://www.youtube.com/watch?v=-nMUbHuffO8</p> <p>SCIENCE</p> <p>We will continue to think about the changes in the seasons with a focus upon Winter (day length, weather patterns in the UK, features in nature during winter)</p>
<p>Other information</p>	<p>INSET DAY –Monday February 24th</p> <p>DT week - Tuesday 25th February. Please keep any 'vehicle' sized boxes (e.g. Cereal packets, tea bag boxes) as we will be designing and making vehicles in Millipede Class during this week.</p>

Please note this is a basic overview of the planning for this week. It is impossible to cover in this outline all the learning that takes place during a week! We also believe in listening to your children and responding to the children's interests and ideas therefore all our planning is **very** flexible. Please note some of the learning will take place across more than one week and during some weeks the learning focus may not cover all curriculum areas.
