Dear Parents,

Parking

We are going to trial a yellow marked area in the bus park that is for minibuses only. This must be left clear to enable the safe drop off and collection of children by nurseries and after school clubs with minibuses. For safeguarding purposes, they must have access to the bus park. Any parents identified as being rude or confrontational with these providers will be asked to not use the facility at all. The nurseries are equipped with dash cams and will be getting number plates as a result. Thank you.

PHSE

On Wednesday 5th of February, Miss Boswell and Mrs Ungerechts will be holding a parent workshop at 3.30pm to discuss and explain the changes to the relationship and sex education curriculum. This curriculum becomes statutory from September 2020, and this is part of the consultation with parents around this change. We will cover why the changes are happening and what they will be. If you would like information about what this will look like in school, please attend.
