

Leigh C.E. Primary School

29th November 2019

Dear Parents and Carers,

Our Week

It's been another busy week at Leigh CE Primary. Yesterday we had a visit from Mrs Dutton, one of our School Advisors who spent time in classrooms and looked at children's work. She thoroughly enjoyed spending time in Years 5 and 6 where the children were carrying out a Design Technology project. She was impressed with how the children were able to design, make and evaluate their products. It was very apparent that the children were enjoying and fully engaged with their practical tasks. Super work Year 5 & 6!

Mrs Dutton thanked the children for their co-operation and quality of discussions. She commented that the school was a very happy place with very friendly and confident children. "Pupils and staff are highly respectful of others, caring towards each other and welcoming to visitors." This was very obviously pleasing to hear. Well done everyone!

Christmas Fair

A HUGE thank you to all our families who supported our Christmas Fair on Monday. It was a real success. The PTFA did a marvellous job organising it. We raised £450.60 which will support future events for the children.

Attendance Fortnight

Attendance fortnight will continue until 6th December. All children who attend school every day on time will be entered into a draw where they will have the chance of winning a £10 voucher for themselves and a £10 voucher for their family. Please do support your child to be punctual and attend school every day.

Sickness

It is that time of year again when viruses and infections are circulating. Could we please ask that you remind your children about the importance of hand hygiene and being thorough when washing their hands. Good hygiene at home and school reduces the spread of microbes and infection. Let's try to keep these bugs at bay!

Wishing you a fabulous weekend with your children.
