

Leigh C.E. Primary School

17th January 2020

Dear Parents/Carers,

It's been another busy week at Leigh CE with all children continuing to demonstrate fantastic attitudes to learning. Behaviour and manners continue to be a focus with children opening doors for staff, welcoming visitors and generally showing courtesy and respect. They are loving all the positive praise that they are receiving, and we are all enjoying working with such super children!

I have spent time in every classroom this week and have enjoyed seeing all children on task, motivated and keen to learn. The children are enjoying their new themes after Christmas and it has been exciting to see artwork, role play and drama linked to new class stories and books. Take a look at our Facebook page to see what we've all been up to!

The new pick up arrangements for Years 5 and 6 have worked well this week and congestion has eased on the main playground. Many thanks for your co-operation with this change of routine.

We have noticed that a number of children are bringing very large rucksacks to school. Please can we ask that children use bags which are large enough to contain their equipment for the day. Larger bags are causing problems with storage in the school corridors.

Please can you support your child to bring their planner to school every day. This allows the vital ongoing communication between home and school to continue.

We have been delighted to welcome a number of new children to our Leigh CE family this week, all of which have settled beautifully. Class teachers have commented on how well our existing pupils have made them feel welcome, helping with new routines and making friends. Well done and thank you to all our children!

Thank you all for your continued support.

Wishing you a safe and happy weekend with your children.
