Peter Nimble and his Fantastic Eyes

Rating: ★★★★★

Peter Nimble is a ten-year-old blind orphan who learnt to steal and became one of the greatest thieves known to man.

One afternoon, he was walking by a market and was told he had to steal money from the rich and give to his gruesome owner, a man who took him for granted.

Money wasn't all he stole, as Peter was able to steal a magic box.

He kept the box and used the prize inside.

A prize that would take him to a new world and change his life forever.

Thank you to the parents who helped with the Year 1 cake sale last week. The class raised an impressive £134.50 which will go towards classroom resources.

The next cake sale will be run by Year 2 on Thursday 13th February.

We have some Nursery places available for an April start this year (after the Easter holiday). If your child turns 3 before 31st March 2020 please speak to the office staff.

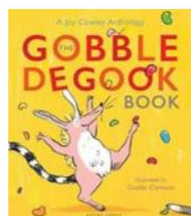

We are accepting applications for our Nursery for September 2020 for children turning 3 years old before 31st August 2020. Please return your form as soon as possible to avoid disappointment. Places will be allocated on a first come first serve basis.

If your child will be turning 3 years old between 1st September and 31st December 2020, please complete an application form for a potential January 2021 start (subject to availability).

Application forms are available from the school office.

The Gobbledegook Book: A Joy Cowley Anthology

Author: Joy Cowley **Illustrator:** Giselle Clarkson

Joy Cowley is one of New Zealand's most popular children's writers and this delightful volume is a perfect introduction to her poems, if you haven't read them before. If you liked Chris Riddell and Michael Rosen's *A Great Big Cuddle*, you'll love this.

For ages 5-8 and up

Dave and the Tooth Fairy

Author: Verna Wilkins **Illustrator:** Carl Pearce

Dave is thrilled when he finally gets his first wobbly tooth although, despite much wiggling and wagging, it seems reluctant to come out. A marvellous book with broad appeal, with a wealth of thoughtful, humorous detail.

For ages 9-12 and up

Katherine Johnson: A Life Story

Author: Leila Rasheed **Illustrator:** Sarah Papworth

An accessible, compelling and inspiring biography of Katherine Johnson: a brilliant, black, female mathematician who helped make NASA's space programme and moon landing possible.

Year 5 had an amazing time at RavensWall - their prize for having the highest attendance last term. Which class will win a fantastic, fun trip at the end of this term?
