Waste Survey

Dear Parents/Carers,

Please find below a link to complete a Waste Survey sent on behalf of The New Forest District Council, who are having a consultation on rubbish at the moment.

Perhaps talk to your children about their views on rubbish and recycling in our village/your home and see what improvements or changes they would like to make.

Waste Survey -

'We are looking at how we collect household waste and recycling in the New Forest and are seeking the views of our residents.'

From the 16 January 2020 until 14 February 2020, the council will be inviting householders to answer a short survey about the waste and recycling service.

Residents can complete the survey online by copying this link into your web browser:'
