Mrs Truslove writes:

I am delighted to say that today I have received a letter from Rt Hon Nick Gibb MP (minister of state for school standards) congratulating us for being in the top 1% of schools in the country for our maths and writing results at the end of Key Stage 2. This is an amazing achievement and I am very proud of everyone who has played a part in this – especially the children who excelled as always. The full letter is on the website.

Parents' Evening is on Tuesday 11th February from 3.30pm. Letters will be coming home with your children tonight so please check bookbags.

Weekly music: This week we have been listening to Pavane by Gabriel Fauré. The Pavane began life as a sixteenth-century courtly dance, and is thought most like to have originate in Italy. It has a lot of repeated patterns (ostinatos). Can you spot repeated patterns in other pieces of music?

Mrs Barnes/Mrs Truslove

Next week in maths, Year 1 will be looking at mental multiplication and division. Reception will be learning about measurement.

We will be working from the story of 'The Snowman' by Raymond Briggs in English, thank you for the DVDs sent in.

Mrs Gibbins

Our fire engines are taking shape. I am very impressed by the children. Please keep those boxes coming in until the end of term. Thank you. Homework is in the yellow books. Next week's times tables are 11x for year 2 and 11 division for year 3. In maths next week we will be working on time in Year 2 and perimeter in year 3.

It was lovely to read so many interesting pieces of research into different musical instruments. We hope you enjoyed doing it as much as we enjoyed reading it.

Parental Engagement Evening

On Tuesday 11th February, alongside Parents Evening, Governors will be holding an open evening in the hall. You are invited to come along and share your views, both positive and constructive, in order to help us develop our vision for the future and continue to improve. Members of the Governing Body will be present to answer questions and find out more about your thoughts and ideas for our school.

School Clubs

Following meetings with school club providers we are pleased to be starting work with Pacesetters after half term. We will be offering a gymnastics club on a Friday morning 8.00am – 8.50am and a Fun & Fitness club on a Monday afternoon 3.30pm – 4.30pm. Forms to join these clubs will come home next week and places will be allocated on a first come first served basis. Priority for gym has been given to children who were signed up to gymnastics club last term, but there will be additional spaces. We are anticipating the Monday afternoon club will change every 6 weeks and a different sport based club will be offered on a first come first served basis. We are exploring other clubs so watch this space!
