Weekly Newsletter– 7th February (Week 20)

Talk Homework Presentations

We all had lots to think about this week with our Talk Homework topic. The children shared lots of their ideas on what they felt the best invention was and why? We even debated whether certain ideas were actually even inventions. A huge thank you to three children who presented their thoughts in front of the whole school during the Monday morning assembly. Well done to Seth who managed to convince most of the school that Electricity was the best invention. Charlie informed us all on the impact Solar Panels have had on our environment and Harmony talked about the Human Body and argued her case that this should also be viewed as an invention. Well done everybody.

Parking outside school

Can I please remind all parents/carers dropping off and picking up children from school to be respectful of local residents. I have had a number of complaints regarding cars parked across driveways. Thank you for your co-operation.
