COMPASSION COMMUNITY COURAGE CURIOSITY

Dear Parents,

It is always special when learning really permeates all corners of the school building. This could not have been more evident than this week when St Mary's hosted its very first 'Reading café!'

Mrs Becker successfully recruited residents from Portbury village who spent an hour of their Wednesday afternoon supporting some of our children with their reading skills. Both children and adults looked as though they were thoroughly enjoying the experience! If you know of anyone who may like to come along, then please tell them to contact our school office for further information.

We try to make ourselves as available as possible and will always make time to speak to you if you have any concerns or things you would like to share. Please do come and see your child's class teacher, or drop the school an e mail, if you would like to make an appointment. It does NOT have to wait for our parent/teacher meetings as we appreciate that these are short sessions with a lot to cover.

We can only provide the very best support for you and your child if you talk to us. Nothing is too small.
