HM Government

## **CORONAVIRUS: PUBLIC INFORMATION**

The Government and NHS are well prepared to deal with this virus.

You can help too.

Germs can live on some surfaces for hours.

To protect yourself and others:

- Always carry tissues with you and use them to catch your cough or sneeze.
- Bin the tissue, and to kill the germs, wash your hands with soap and water, or use a sanitiser gel.
- If you have arrived back from China within 14 days follow the specific advice for returning travellers.

This is the best way to slow the spread of almost any germs, including Coronavirus.

[Find out more at gov.uk/coronavirus](https://www.gov.uk/coronavirus)

## Get involved in Safer Internet Day 2020!

Tuesday 11th February is Safer Internet Day. Safer Internet Day aims to promote a responsible, respectful, critical and creative use of digital technologies, especially among children and young people. Safer Internet Day encourages people from over 150 countries to come together and play their part for a better internet.

At Woods Bank, we will be taking part in activities throughout the week which will give children the opportunity to develop their understanding of how to use the internet, apps and devices safely and confidently. We will also be linking our activities to our school ethos of Belong, Learn and Grow, allowing the children to explore the online community they are a part of.

Check out our Twitter or Facebook for updates You can also visit [www.saferinternetday.org](https://www.saferinternetday.org), and keep an eye on the official Safer Internet Day social media channels on Facebook and Twitter.
