This Week at Stockingford

Dear Parents,

Happy St Valentine's Day to you all! I do hope you all get to spend some time today and over the half term holiday in the company of your families and friends - those you love!

I can't quite believe we have reached the half way point in the school year already! Experience tells me that the time will fly between now and the summer! You will probably have read in a separate letter about the forthcoming Geography enrichment day that will take place on the first Friday back. Our focus will be on environmental issues and recycling. Also that week, we can look forward to pancake races on Shrove Tuesday in the following week (Thursday 5th March) it is World Book Day and everyone will be invited to come to school dressed as a favourite character from a story! I know the staff are already making plans!

Safety in School

Can we please request that adults drop children off at the doors rather than entering the school buildings in the mornings? School is incredibly busy with people and our first job is to settle and register the children. If you need to see a teacher, please drop into the school office and our staff there will pass on a message. Please do not call your child back out to you once you have passed them to the school staff. Thank you for your help in keeping our children safe.

Have a super holiday!

Mrs Bowser

Attendance

Many congratulations to the pupils in the Haven for achieving 100%! Congratulations also go to 3LH who achieved 97.9%! It seems that many people have been victims of the winter germs as we only managed 91.3% as a whole school. Our lowest this year. Let's see if we can get the highest this year after half term!

Parking

When parking please be mindful of your own children's safety and also the safety of other children. We are aware that Cross Street, Grove Road and surrounding roads do get very busy at the start and end of the day. However, please be mindful not only of your own children's safety, but also the safety of the other children. If you are stopping temporarily to 'drop off' your child, please make sure that it is a safe place to do so. When it is congested, it is hard to see other cars and we do not want any children getting hurt.

After School Clubs

We have a range of clubs on offer at Stockingford Academy which we hope suits everyone's tastes over the year. Following some feedback, we are offering a multi-sports club to children in Year 1 and 2 on Fridays 3.20-4.15pm. It will run for 5 weeks after half term and the cost will be £5. It will be delivered by a Specialist Sports Coach, Mr Hall. If you would like your child to participate, please phone or call into the school.
