

Old Sarum Primary School Newsletter

Friday 14th February 2020

Could you be a Parent Governor?

We are seeking someone who is interested in making sure that the children who attend Old Sarum Primary School receive the best care and education possible. If you can give some time to join our team to ensure the school is going in the right direction, is providing high quality teaching and learning experiences and is making the best use of its funding then please consider applying for the role of Parent Governor. More information can be found on the school website and a letter will be sent home after half term. We look forward to hearing from you.

Penathlon Sports Event

A huge congratulations to the 7 children that took part and came 2nd in the Penathlon at St Edmund's School on Wednesday. They showed amazing determination and they were just one point away from coming first. Well done!

School Valentines Disco

Thank you to the PTA for the Valentines Disco held last night. It was a great success as always and the children had a fantastic time. A brilliant profit of £413 was made for the school!

Parent Consultation Evenings

Appointment time slips will come home with the children today. Please contact the school office on Monday 24th February if you have not yet requested a time slot for either Tuesday 25th or Wednesday 26th February.

Sickness

Please can we remind parents that children should be 48 hours clear of sickness and/or diarrhoea before returning to school. This is to ensure nothing gets passed onto to other children and staff.

Child and Adolescent Mental Health Services (CAMHS) Workshop

Last week we advertised a CAMHS workshop at Greentrees Primary School for 11th March. We have been notified that this date has been cancelled and a new date will be advertised soon.

World Book Day – Thursday 5th March 2020

Children are being asked to come to school dressed up as a book character for World Book Day. It would be great if children could bring in the book their character is from as well. During the day, each class will choose their favourite book and design the cover on their classroom door! It will be wonderful to see how creative each class will be.

We understand that costumes bought in shops & online can be very expensive, so we would encourage you to get creative with your child and use items of clothing/props you already have around the house.
