KNAYTON
C of E ACADEMY

STAR OF THE WEEK

Our Learning this week

This week has been RE Week. We have been exploring the similarities and differences between different religions and their approach to pray. In English, we have written a magazine article to inform the children of Knayton School about this.

In maths, the Y4 children have ordered, compared, reasoned and problem solved with decimals. The Y5 children have ordered, compared, reasoned and solved problems with numbers up to 3 decimal places.

As it was Safer Internet Day on Tuesday, the children learnt about the importance of staying safe online and how to have fun whilst being responsible. We also loved showcasing our art work in our exhibition, thank you to all who attended!

Homework

Please ensure children are reading daily. We read on a daily basis at school and this needs to be carried out at home too. When reading with your child, here are some useful comprehension questions to aid their understanding:
