Our Learning this week

English - This week has been RE week and we have concentrated on two different religions: Christianity and Judaism. We have been looking at how they celebrate weddings and what is the same and different between each religion. We can't wait to show off our published work!

Maths- In Maths we have continued to work on our understanding of shapes. Year 1 have been identifying, naming and sorting shapes and Year 2 have been looking at the different properties of 3D shapes. We have also been answering some reasoning questions to show how understanding of 2D and 3D shapes.

Learning Mission - During RE Week we have continued to concentrate on Judaism and Christianity by looking at how they celebrate baptism and how they work as a community. We have even made our own promises and talked about how we can work as a community within school.

Homework

As part of our next Learning Mission please could you write down all the things you would like to be when you are older and any dreams you may have for the future.

Reminders

PE has now changed days so it will be on a **Monday** and **Wednesday** for this term. Please make sure children have appropriate kit to wear, including long trousers, trainers and a jacket or jumper as it is very cold outside.

The Friends reading raffle will continue this half term so make sure you have read at least 4 times per week (Friday to Friday) so that you can be entered! This is to be recorded in reading diaries.

Please could children bring in a shoebox ready for our next Learning Mission activity!
