## Safer Internet Day 2020

### Keeping Brimrod Safe!

Tuesday 11th February saw Safer Internet day come to Brimrod. On this day and during the week the children completed a range of activities across the school from Nursery all the way up to Year 6. Our fantastic digital leaders held 2 assemblies for children and their parents to get the messages across.

Please check our twitter site for weekly updates on online safety and if you have any concerns or questions about keeping your children safe online then please come into school and we will support you with this

## Health and Relationships Education Consultation

Thank you very much to all the parents who attended the three HRE workshops that have been held over the last month. It is vitally important that parents are involved in the consultation and therefore the minutes of the meetings and the presentation that was discussed with parents during the workshops are available on the school website. We have included an online survey for you to share any feedback you may have. Thank you for your continued support.

## Goodbye Mrs. Smith

It is with great sadness that I inform you that Mrs. Smith who works in the office will be leaving us at the end of this half term. Mrs. Smith has been with us here at Brimrod for the last 8 years and will be sorely missed by all children, staff and parents alike. Please join me in wishing her all the luck in the world.

## Express Afternoon

Express afternoon will be held on Monday afternoon at 2.15pm. This is a fantastic afternoon that invites parents and family members into classes to take part in activities and see what the children have been doing in their first topic. It has been really well attended in the past and we would really love to see you here supporting your children and getting involved in the fantastic things we have going on in school!! See you then!!!

## Dippy

As you will be aware "Dippy" has arrived in Rochdale and he will be visited by all our classes here at school over the coming months. Year 1 will be visiting today and other classes are scheduled over the course of his stay.
