Spring Issue 6
14th February 2020

This week at Walsgrave...

The week started with focusing on all the people we are thankful for, focusing on the people who do nice things for us on a daily, weekly or even monthly basis. The children reflected on what they could do next time they see these helpful individuals. They all said saying 'Thank you' would be a good idea!

Myton Hospice fundraising

On Wednesday we had a visit from Claire McDowell who came to talk to us about the important work that Myton Hospice do. We would love to see as many children as possible raising money for this worthy cause. Please return your child's sponsorship form with the money they've raised to School by **Thursday 20th February** to be in with a chance of winning Monty the Myton Teddy Bear (as modelled by Mr Sowerby).

Sports Competition

Last Friday, some of our Key Stage 2 children entered the Boccia and Archery competition held at the Alan Higgs centre. Across both sports, the children produced amazing final scores winning many games in Boccia and also winning a range of challenging Archery games. We are all very proud of those who attended this event. The biggest highlight of the event was seeing so many happy faces. Well done to All!

Safer Internet Day

This week we had our Safer Internet Day. Each year it helps promote the safe and positive use of digital technology for children and young people. Mr Mushing lead an assembly on the importance of being aware of what we do and say online. Follow up class sessions were useful in allowing children to ask questions and learn about this in more detail. It is vitally important to have a clear understanding of what your children are doing and saying when online. If you have any further questions about this, don't hesitate to ask.

We hope you have a lovely weekend and a Happy Valentine's Day!

Mr Sowerby and Mr Darling Co-Headteacher

General Reminders

Rolling reminder- 500 word writing competition

Last week

we announced

two exciting

writing competitions for the Spring term. We would like to encourage children to enter the 'Radio 2 500

words' writing

competition or the 'Premier League Poetry' competition- or both! You will see

posters around the school and you should have received a leaflet about how to enter.

Year 4 Times table

Don't forget, we have our Year 4 Times table parents meeting on Tuesday afternoon at 5:30pm.

The Calendar

Week 7
W/C
17/02/2020

20.02.2020 - Year 5 Kingswood meeting
21.02.2020 - Geography Enrichment Day

Week 8
W/C
2/03/2020

05.03.2020 - World Book Day - The theme is 'Pyjamas'

Year 3

This week has been a very exciting week in 3C. The children have absolutely loved being immersed in our new text, The Iron Man. The children have used the text to infer imagery and have produced beautiful pieces of art work. They have also used their knowledge from the text to help create a giant Iron Man for our book corner. Watch out for our newspaper articles, reporting on the events that have been happening in the story.

Year 5

This week we have been focusing ur attention on how we can 'Be free to be me' online. Children discussed how we should and shouldn't act online that may give us a negative reputation online. They then became the boss, reviewing applicants for a job's post online and whether they would give them the job or not. It has been great to see that our children understand how to create a positive reputation for themselves online.

Nursery

Over the past 2 weeks Nursery have been learning about our bodies. We have had a visit from a nurse and learned about different parts of our body and the jobs they do. We made skeleton pictures and learned about our senses. We have smelt, felt, listened, looked and tasted lots of different things and have learned lots of new words to describe the way that things taste and feel.

Inspiring Global Change

As a school, we have decided to set up a climate change awareness group; we will be called the IGC (Inspiring Global Change). During our Geography enrichment day on Friday 21st February, each year group will been given a project for the day that is designed to raise awareness of climate change, how it affects

peoples' lives and what we can do to help.
