Parent Workshops

5/2/2020 Antisocial Behaviour - this session aims to give parents a better understanding of what Antisocial behaviour is and how it effects the community. During the session we will look at some of the resources we will be using to teach the children.

12/2/2020 County Lines - this session aims to give parents a better understanding of what county lines is who may be vulnerable to becoming involved and how to recognise the signs.

4/3/2020 Online Safety (Session 1) This session explores the positive and negatives of internet usage, the impact on emotional health and how parents can encourage their children to balance their screen time and take part in other activities.

18/3/2020 Online Safety (session 2) This session looks at the use of social media, the risks they pose and how parents can help children to stay safe.

22/4/2020 Online Safety (session 3) This session looks at the online games that children are playing, the risks they pose and how parents can help children stay safe.

All workshops will be at 9.30am to 10.30am.
