Express Afternoon

Thank you!

Monday 17th February saw our first Express Afternoon of the year. These events are held at the end of our topics to showcase the work that has been happening in class and to involve parents in the work their children are doing. This event was the best attended so far and it was so lovely to see so many parents having a go at the activities that were provided.

Health and Relationship Education - Next Steps

A huge thank you to those parents who took the time to answer the online survey and attend the three workshops. If you were not able to attend the workshops then please see the school website where you will find the minutes from the workshops and the presentation that was discussed with parents. There is also a short survey in which you can put down any further thoughts that you would like to share with us. (The survey is open until Monday 2nd March). Thank you for your continued support.

Dippy

Year 1 were the first of our classes to go and visit Dippy. They had a fantastic time and were amazed at how big he was! They were even able to spend some time in Touchstones and saw themselves on the promotional video! How exciting!! Other classes will be going over the course of the year but why not go and visit him for free over the half term holiday?
