Attendance Matters

This year we are striving to achieve our best attendance ever at Mersey Drive. In order to do this we need your support, our current attendance needs to improve! The National Average is 96%. Last half term our overall attendance was 93%. This half term our target is 95%. Children with high attendance build good friendships, keep up with their work and make good progress. This is exactly what we want for YOUR child and all the children at Mersey Drive Primary.

If you want to know about all the exciting activities and events taking place in school, including keeping up to date with your child's day to day learning, please follow us via our Twitter page
