## EYFS Royal Event

As part of our theme 'What do you know about towers, turrets and tiaras?' EYFS held a 'Royal Dress Up' day to celebrate the end of the topic. We took part in a royal banquet, made our own sandwiches and even practised our royal waves!

Thank you to all the parents and carers who paid a contribution to help us to raise money to buy a range of books linked to our school values.

## Sublime Science

Sublime Science returned to Mersey Drive this week. Each class loved the workshops linked with their topics! Rocket Ross demonstrated to Year 5 the movement of the planets around the sun and the laws of gravity.

## Science Theme Challenge

Thank you to all the parents and carers who came to our open classroom 'Science Showcases' this week. The children loved sharing their learning with you.
