Newsletter

March 2020

We would like to welcome Daria Luca to year one. I am sure she will soon make some new friends.

Safe Driving

Hopefully the weather will start to improve soon and children will be able to walk to and from school.

In the meantime may I remind parents about safe driving? I have had it reported to me that a parent in a large white van was driving on the pavement as children were arriving at school. This is extremely dangerous as there are children walking down the pavement at this time, some of whom may be on their own as they travel to school independently.

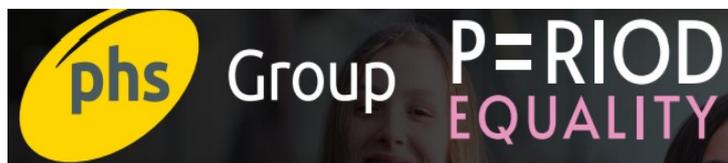

Some parents are also parking on the yellow zig zag lines outside of school. This is illegal. Please ensure you park safely for our children.

Could I ask all parents to be vigilant and report any concerns to 101 non emergency police number. Many thanks.

Free Period Products

The DfE have launched a scheme to end period poverty. All schools are now able to order a limited supply of products for their students. If you would like to access these products for your daughter please contact the school on the usual number.

Events Last Term

Manchester Children's Hospital

Thank you to all the staff and children who dressed up in green on the last day of term. We raised £350 which is a phenomenal amount. This takes our total to £1284 so far this year. Well done.

Quinton Fortune

Y4 enjoyed an afternoon of football with Quinton Fortune, an ex Manchester United player. Thank you very much to Riley Wych's grandma who won the prize and donated this to the school. The children had a great afternoon.

Events Last Term (continued)

Zoo2You

Y6 enjoyed a presentation from Zoo2You which gave them the opportunity to look at exotic animals. This fitted in with their work on evolution and adaptation and the study of the Galapagos Islands.

Safer Internet Day

All children were reminded about online safety. As a reminder to parents we have a wealth of information on our website if there is anything you need to research.

World Book day Events

We have a full week of activities. Tameside Library Service will be visiting to work with year groups in turn. This will include story telling, quizzes and other book related games.

There is also drama and story teller workshops coming into school to work with year groups on different authors and stories.

Don't forget to remind your child to send in their Book in a Jar competition entry which will be judged this same week.

Football Updates

On Thursday 13th February the girls' football team took a trip to Curzon Ashton to play in a tournament. We played three games instead of four as one of the teams didn't turn up. The first game we won 1-0, the second game we drew 0-0 and the final game we won 2-1! We really enjoyed the afternoon even though it was cold and wet but that was never going to stop us!

Yasmin Cole Chadburn

Events this term
