Dear Parents,

Welcome back!

We hope you had an enjoyable half-term break. Children are now well-settled back into our routines of school life.

BBC 10 pieces

All this week, each class has been studying one piece of classical music, including thinking about how it makes them feel, the instruments they hear and learning about its composer. Children's work will be celebrated in Celebration Collective Worship on Friday. Please do ask your child about their piece of music. For more info search online for 'BBC 10 pieces'.

Packed lunch waste

We have noticed that many children who bring a packed lunch into school are throwing away food, and bringing home an empty lunch box. From now on, we will be asking children not to throw anything away (except opened drinks or yoghurt cartons) so that you can see at home what they are (or are not!) eating. We hope that this helps you at home.

Penalty Shoot-Out for Sport Relief

Your child should have brought home a letter and a sponsor form for a penalty shoot-out against 'Billy Bantam' – Bradford City's mascot. Please make sure you have read the letter from Mr Kerr and help your child get sponsors!

Best wishes, Mr Elcock (Deputy Head)

Next week in school...

Tuesday – Year 2 – Parents' event – Come and Do Maths With Us! 9-9:30 in Willow Hall.

Thursday – World Book Day – all classes will be reading and doing work based around the book called 'Shh! We Have a Plan!' by Chris Haughton.
