Dear Parents,

We have a really busy half term ahead of us including lots of visits, please remember to return consent slips and voluntary contributions for these as soon as possible.

World Book Day is on Thursday next week and we look forward to seeing as many of you as possible coming into school to 'stop and read' with your children. Children can come in their pyjamas and bring a teddy with them to read to.

Please check book bags and our website regularly to keep up to date with everything that is happening in school!

Many thanks for all your support,

Mrs. S. Fisher
Headteacher

Trips

We subsidise all our visits as much as we can to make them more affordable for parents and although contributions for trips are voluntary we really do need parents to contribute. If insufficient contributions are received the Governors have stipulated that trips and events will have to be cancelled, which we naturally wish to avoid.

Please use **SchoolMoney** to pay for trips if at all possible, all trips have been set up to allow you to pay in instalments. If you cannot pay online then please put the money in a **named envelope** to ensure we know who it is from – *this is particularly important if you are not handing the money in at the office*. Please also remember to return the consent slip even if you pay online.

Please provide a packed lunch for these trips – even if your child is entitled to Free School Meals.

School Council Fundraising

Our Valentine Fundraiser made over £160 for Redditch Nightstop – thank you very much for your support and generosity! Our next event is the Mother's Day Shop on 19th March. Children can come to school in their own clothes on Friday, 28th February and we ask that they bring in a small gift which we can sell in our Mother's Day Shop.

Friends of Moon's Moat First School Association

The Friends are hoping to organise an event for later this half term and an Easter Competition. Please look out for more details.
