Dear Parents and Carers

‘Magistrates in the Community’ Visit

We are very lucky that our Y6 children will experience a workshop in March from, ‘Magistrates in the Community’. They work with schools to provide workshops and resources to help pupils gain an understanding of the criminal justice system. The workshop will enable pupils to understand more fully the consequences of crime as well as the impact of crime on society and individuals and how justice is seen to be done when a crime has been committed.

Yours sincerely
