Adult Learning—English & Maths

A number of our parents have spent the last 12 weeks learning Maths and English, in school, with tutors from Calderdale Adult Learning. This has been an amazing and unique opportunity.

We still have places on these courses—Maths (Wednesday Mornings) and English (Thursday Mornings) for any parents/carers who wish to join. The feedback that the tutors have given us is fantastic and they are more than happy for more parents/carers to attend - if you would like a place, please contact school to book. Refreshments and snacks are provided.

Head Lice

Please check your child's hair regularly for head lice. There continue to be reports of cases of head lice in school.

If you take a head louse egg on a piece of sticky tape to a chemist, they will usually provide free treatment.

Advice is available on the Locala (School Nurse) website, and on the NHS website.

How to use a detection comb

1. Dampen the hair thoroughly and apply a small amount of oil or conditioner
2. Make sure there is good lighting
3. Comb the hair with an ordinary comb
4. Then, using a special detection comb:
5. Begin at the top of the head and making sure that the comb is **touching the scalp**. comb slowly towards the end of the hair, then clean off the comb with a clean white tissue and inspect for lice.
6. Check the teeth of the comb carefully.
7. Repeat Steps 4 & 5, working your way around the head.

Robinwood Awards Assembly

On Friday 6th March we would like to invite the Parents/Carers of the children who went to Robinwood to our celebration assembly which starts at 9.00am. We will be giving out the certificates and there will be a slideshow of a selection of photos that were taken whilst they were there.
