

CAMBRIDGE PRIMARY SCHOOL

WEEKLY CATCH UP

Value of the Month – Hope

6th March 2020

Dear Parents, Carers and Children

We were extremely pleased that so many of you could join us at our Pyjama Party yesterday afternoon for World Book Day. The children looked amazing in their pyjamas (although some of them were very warm!). They really do love seeing you in school and sharing their books with you.

Research shows that reading really is the key to success. Reading for just 10 mins a day at home means that your child will have heard over 500,000 words per year. This has a direct impact on their academic success, making them more likely to score better in tests than over 50% of their classmates. At school, we do everything we can to promote a love of books and reading. We encourage all parents and carers to share their love of books at home too.

The weather this week has been a bit brighter and we are already seeing the children taking off their coats, and sometimes, their jumpers at playtimes and dinnertimes. Making sure clothing items are named really does make things easier.

Attendance throughout school is still below expectations as you can see overleaf. We will be sending out letters to all parents/carers of children whose attendance is below 90% next week.
