Dear parents,

Thank you for all the donations of sweets towards the sweet tombola for May Day yesterday—that stall is always so popular with the children!

Our year 6 children found out their school places on Monday this week, we had a mixture of happy and disappointed children. If any parents would like an appointment to discuss their school allocation please contact the office to make an appointment with Mrs Cox.

Well done to the children who ran the 3rd race in the cross country league. Lucas came in 4th a disappointing result for him, although he is still currently in 1st place for the accumulative races. Harry came in just behind Lucas in 5th place and Josh came 15th. Alessia was the only girl who took part and she came in 23rd position out of year 5 + 6 girls, despite being only a year 4!

Our children have all been very busy with their learning this week.

Fir Tree class have been finding out about features and differences between underwater creatures.

In Forge class the children have started to look at the story of Jack and the Beanstalk.

Hurstwood class have been finding out about the impact of pollution on our waterways and rivers.

In Kemsley class the children have been writing their own party manifesto's—ready for when they become MP's!

Oakwood class have been learning about areas and perimeters of composite shapes.

Next week Hurstwood class will be going to Horton Kirby to gain more understanding of their rivers topic. We are all keeping our fingers crossed that it stays dry for them!

On Wednesday the Family Trust will be performing 'The Easter Show' for our children. Some of our year 5 children will be off to visit the elderly members of our local community with a visit to age concern in the afternoon.

Our week will end with the children coming into school in their sports wear to raise money towards Sport Relief.

Our May Day this year falls on Saturday 16th May. ALL CHILDREN are expected to attend as this is classed as a normal school day. The children have been given an extra staff development day in lieu of this. If a child does not attend an absent mark will be allocated to their attendance.

Finally, we are sent regular updates from the DfE regarding the outbreak of coronavirus. For further information please follow the link, <https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public> which is also on the scrolling bar of our website.

(Do remember to encourage your child to wash their hands thoroughly).

Best wishes
Mrs M Cox
