Author / Arts week

Thursday 5th March was World Book Day which fitted nicely with our "Author/ Arts" week. During this week the classes have been producing pieces of writing and art work based on a theme. This Year our theme is "Plants and Gardens" and their work will be up for all to see as our hall has its Spring makeover!!

News and Notices

Health and Relationship Education—Policy

Thank you to those parents who read the workshop minutes and presentation that are on the school website and who took the time to complete the survey. As a result of the feedback we have received from parents we will not be holding any further workshops and will now be getting the policy ready as a draft to share with parents. Thank you for your continued support.

Coronavirus Update

Brimrod Primary School are carefully following the advice given by the DFE and Public Health England to ensure that any risks are minimised. School will not be closed unless instructed by Public Health England and parents will be notified if there are any changes. Until then school will be open as normal. Brimrod Allotment

As you may be aware, we have started the next stage of our KS1 playground redevelopment. The new allotment will soon be filled with planting trugs and our Year 2 class will be the first to begin planting in it. Their new topic “Scented Garden” has just begun so keep your eyes out for the fantastic things being grown over the new few months.

Goodbye Mrs. Rashid

We are really sad to say goodbye to Mrs. Rashid today after 6 years working here at Brimrod. We would like to thank her for all the hard work she has put in to her job here and I know you will join with me in wishing her all the best with her new job . Good luck!!!
