Spring Two

Dear Parents and Caregivers,

We welcome you back to the second half of the Spring term and hope that you have had a relaxing break, ready for another busy but exciting half term ahead.

Our value for the month of March is 'Being an Achiever'. We will be learning about how to challenge ourselves, how to ask for help if it is needed and to not give up, even when things are difficult.

Just a reminder to please keep your child at home if they have had a temperature the day before and are needing to take medication. We are finding that their temperatures are rising as the medication wears off during the day. As a result, children are then needing to be sent home as they are still unwell and this makes it unsettling for them.

We are selling daffodil badges in school to raise money for the Marie Curie Cancer Charity. Daffodils are £1 and can be purchased throughout the month of March.

PSHE Assemblies

Each week in KS1 we have a PSHE assembly that cover the core themes – Relationships, Health and Wellbeing and the Wider World.

This term we are covering –

It has an impact on progress and achievement as well as friendships. Thank you to all of those parents who ensure that they arrive at school on time every day — it is always trickier on cold, wet mornings but almost all of our children arrive on time, prepared to learn, every day!</p> <p>Things to remember-</p> <ul style="list-style-type: none"> *Ensure that your contact details are up to date in case we need to contact you in an emergency or for information. *Be firm with your child about their attendance. *Try to arrange appointments out of school time. *If problems persist, please contact us to discuss them.
Assemblies	Safety In School
<p>Big congratulations to Rabbit class for an informative and inspiring assembly on the Olympics. They gave interesting facts and information about countries and past athletes which was then rounded off with a song about being proud.</p> <p>Owl class based their assembly on the continents of the world which was also very informative and carried out with full class participation.</p>	<p>Once you have picked up your children, please make sure that they stay with you at all times. Recently, we have found that we have had a few children finding themselves separated from their families which is worrying and upsetting for everyone involved.</p> <p>If you do find a child who is lost, please take them immediately to the office and the staff will be on hand to help resolve the situation.</p>

A huge thank you to all those involved, and also to the parents that have come to support their children by watching.
