Sports Relief in School - Friday 13th March

The School Council would like to support Sports Relief this year. On Friday 13th, we are asking that every child donates £1 for wearing non-uniform/sportswear. During the day, all children will take part in running a mile. Thank you for your support! 😊

World Book Day (week) Events 2020 😊

All year, we have been focussing on improving reading across the school and promoting a **Love for Reading!** It's part of our School Improvement Plan. Our week last week certainly did this, with all children enjoying the events, especially sharing their own books and the author visits! What a wonderful week in school! Children and staff came to school dressed up on Wednesday and Miss Wood, Y6 Teacher shared her favourite childhood story in the hall to the whole school.

The 'dress a potato' competition was judged by our School Council on Friday, and the Head Girl and Boy presented signed books to Key Stage 2 in the hall. Thank you to everyone who entered.

On **Tuesday** afternoon, author **HARRY HEAPE** visited Y4, Y5 BIRCH and Y6 in the hall and on **Wednesday** morning, author **PHIL EARLE** worked with Y1, Y2 and Y5 Holly. Finally, to end the week, Y4 visited the Leeds Central Library for a drawing workshop with author and illustrator Chris Mould. Their sketch books look amazing!!! Please ask to see them! Today Catherine O'Neill has been storytelling in Reception.

We are super excited about all of these events! Follow us on twitter @MiddletonStMary or on facebook: Middleton St Mary's Primary School.
Mrs N Wood, Headteacher.

Leeds United Match

On Saturday, our Y5/6 Wildcats were invited to watch a Leeds Match. Thank you to parents for getting them there and to staff for supporting this event.
