

Coronavirus

We have had a careful look at the school diary for the next month or so.

Whilst current advice is to continue as normal and ensure good hygiene with the use of tissues to catch coughs and sneezes and plenty of handwashing, we are aware that there remains uncertainty about how the Coronavirus is likely to progress.

We do know that cases will continue to rise for a while yet. With this in mind we have decided;

Year 4 – National History Museum

Due to go out on Monday 16th March – the Museum have agreed to us postponing this until the Summer Term or later. We will not provide a refund at this point as we do hope to rearrange the trip.

Year 6 – Harry Potter World

Due to go out on Monday 30th March – the Warner Brother Studios are not able to offer us any alternative dates before September. We therefore need to cancel this trip. A refund will be given in due course.

Class Assemblies

Wednesday 11th March – 2LL: this will go ahead this week. Parents will be asked not to attend if they've recently travelled from Italy (or other affected country) and wash their hands on entry.

Wednesday 18th March – Class 1MB: will be arranged in Summer Term

Wednesday 25th March – Class RKG: will be arranged in Summer Term

Wednesday 1st April – Class RMG: will be arranged in Summer Term

Swimming

We shall continue with weekly swimming until advised not to, or an increased risk arises.

Rainham Hall

Year 2 – Tuesday 10th March

Year 1 – Wednesday 11th March

We shall continue with this local trip – washing hands before we leave school, whilst there and upon our return. If, however, you would prefer for your child not to go then please tell the class teacher as soon as possible.

After School Clubs

We shall continue – children are currently washing their hands often during the day and before going home.

Trips for next term will be risk assessed nearer the time. I thank you for your continued support.
