Executive Headteacher – Mrs. M. R. Buckley

Head of School – Mr. R. Bhatti

HEALTH CONCERNS

Over the past week or so we have had two confirmed incidents of Scarlet Fever within our school.

Although this doesn't need to cause you any immediate concerns we felt you should be aware so that you can monitor your child more closely.

Scarlet Fever may cause a rash on the skin, a sore throat or in some instances just a high temperature.

The good news is that Scarlet Fever can be treated by antibiotics from your GP. After one day of antibiotics your child can return to school if they are feeling well enough to do so.

We will continue to monitor the situation at school and hope you will keep us informed of any issues from home.

Children will continue to be encouraged to wash their hands during the day and we have increased our cleaning contract from Oldham Council to help reduce the spreading of any infections.

Thank you for your understanding.

Yew Tree Community School

National Support School
designated by

National College for
Teaching & Leadership
