Dear Parents and Carers,

We are currently planning what measures we might need to take, should we be asked to close our school due to the Coronavirus outbreak. In order to make sure that teachers can communicate activities and tasks to you, should this occur, we need to ensure that all Tapestry logins are working and have an up to date email address attached.

We would like to have at least one Tapestry account, including current email attached to each child in our school. If this is not the case, please provide your child’s teacher with your contact details so they can be checked and amended, or contact the school office with details of your child’s name, class and working email address at office@park.cambs.sch.uk

We thank you for your cooperation in checking we have up to date and working Tapestry accounts for all the children in our school.

Yours sincerely,

Mrs. Bolger and Mrs. Warburton
